

GROWTH & HABITAT

SIZE: 24"-36" x 24"-36"
USDA HARDINESS ZONE: 10-11
SOIL: well drained
SALT TOLERANCE: low/moderate
ORIGIN: Australasia

LIGHT:

Part Shade/ Full Shade

MOISTURE:

Moderate

DESIGN & AESTHETICS

SHAPE: spreading, arching, semi upright
LANDSCAPE USE: specimen, massing, container plant
FLOWER: N/A
FRUIT: N/A
WILDLIFE: N/A

PLANT DESCRIPTION: The Crocodile Fern has a unique texture on the leaves that resembles crocodile or alligator skin. The long, bright green leaves are a great addition to a shady location. The Crocodile Fern works well as a mass or as a stand-alone accent and can also thrive in a hanging basket. Cold snaps can harm the Crocodile Fern so make sure to take proper measures in protecting it.

PESTS & DISEASES:

PESTS: N/A
